
Fun Boarder 2005

The advertisement features a vibrant blue sky background with white clouds. In the center, four astronauts in white space suits with red accents are floating in mid-air, mimicking the iconic 'The Beatles' 'Yellow Submarine' scene. Below them, a blue trampoline with a white 'X' on its mat is visible. In the top right corner, the Swatch logo is displayed in a white rounded rectangle. In the middle right, a white sign with the text 'LEAVE THE EARTH AT' is shown. In the bottom right foreground, a Swatch watch with a red and black dial and a brown strap is prominently displayed. At the bottom center, the text 'Presenting the new Swatch Fun Boarder with Altimeter' is written.
